

Thermal Screen

Product Description: IC 50 - Energy Saving Screen

| Character | Units | Specification Requirement | Standard |
|-----------------------------------|------------------|---------------------------|-----------------------------|
| Shade Factor | % | 46-48 | ASTM D 1746 |
| Weight | g/m ² | 80+ | ASTM D 3776 |
| Breaking Strength - Warp and Weft | N | >295 | ASTM D 5034 |
| UV Stability | KLY | 700 | ASTM G 154 |
| Energy Saving | % | 0 | Energy Saving |
| Diffused Light Transmission | % | 0 | Diffused Light Transmission |
